

International Certificate Courses

Content:	In our international certificate courses, you will familiarise yourself with all parts of the exam and practice the strategies required to achieve the best results. In addition, you will learn the most important expressions, which can be used effectively in the speaking and writing part of the exam. Regular reading and listening exercises will simulate real exam situations. The use of authentic exercises will prepare you fully for the exam.
"Hybrid course":	the teacher teaches in the classroom in face-to-face lessons with our normal teaching method (focus on speaking). If desired, you can also participate virtually in the course by means of a large screen/camera and zoom.
